SHRI MOSTAFA BIN QUASEM:

Will the MINISTER OF ENVIRONMENT AND FORESTS be pleased to state:

(a) whether Government's attention has been drawn to the news item which appeared in the Financial Express of 9th October, 1986 regarding fast disappearance of tropical rain forests;

(b) if so, what are the details thereof; and

(c) what are the details of Government plans to preserve the fast receding tropical rain forests of the country so as to keep ecosystems infact?

THE MINISTER OF ENVIRONMENT AND FORESTS (SHRI BHAJAN LAL): (a) Yes, Sir.

(b) The News item refers to world wide loss of at least 40 per cent of tropical rain forests in the last 30 years. Tropical rain forests is the popular name for evergreen forests. In India, evergreen forests are confined to Assam, Arunachal Pradesh, Andaman and Nicobar Islands, Kerala and Karnataka. The National Remote Sensing Agency reports indicate that there has been no decrease in forest area in Arunachal Pradesh and Andaman and Nicobar Islands. The decrease in the total forests area in Assam, Kerala and Karnataka has been by 5.9 per cent, 14.34 per cent and 12.97 per cent, respectively.

(c) To preserve evergreen forests the Government plans:

(1) to reduce the diversion of such forests to non-forests use to a bare
